| **5 Chair persons report** | Thirty eight organizations now involved in the group which has now been given CIO Charity status. The group will be known as the Older Peoples Partnership Hull and East Riding and the Trustee’s will be Cllr Helen Spencer, Cllr Danny Brown and Barbara Wright (HCC Day services Manager). To gain charitable status has been the goal of the group as it will provide better funding options and prospects moving forward. |
| **6 Treasurer report** | Helen reported on the accounts and provided a summary of the year up to 31-03-17. Helen invited anyone wishing to view the full accounts to contact her directly. Helen took over this role in October 2016 and is pleased to confirm the accounts are completely up to date and correct. |
| **7 Changes to constitution agreed** | The Management Committee looked at a few small changes to the constitution in March 2017 as the signatory for the cheques was the treasurer and 1 other which caused delays due to availability. It was decided that 4 members are now signatories and any of the 3 can sign cheques. The bank was happy for this change to occur.  
Due to the charity status being granted 360 degree accountants will assist with the accounts that will need to be submitted and assist the group with funding bids. The group agreed all the changes to the constitution. |

### Craft sessions

PFH Have craft sessions across the city for anyone to attend. This can help reduce loneliness and isolation and also keep the brain active. Opportunities for people who have a skill to come and share and also upcycle things to make storage containers and memory boxes etc, painting , cards

Sessions at free at the moment, but people are advised to bring their own equipment if they are working on something specific.  
Big Elastic Band
This is a project working with Brian Irvine, a music composer, who is creating band with PFH residents and friends of. This is a great opportunity to show off your music skills and singing or just be involved in a great project that is trying to encourage the aging population to make music and also song write.
Here is the link to the article about the project. http://www.hulldailymail.co.uk/elderly-hull-musicians-come-together-for-big-city-of-culture-festival/story-30259022-detail/story.html

| Penny Brohn | As an update I would like to tell everyone about a new service we have set up called 'Wellness Sessions for Carers' Groups'. Each session is 2 1/2 hours long and there are 2 sessions. One looks at Managing Stress the other is about Emotional Wellbeing. We only have a small amount of sessions at the moment but if they are successful we will roll them out again next year. If any group is interested in the sessions which are free all we ask is that the group provides a venue this would usually be where they already meet.  
To find out more information or book please contact yorkshire&humber@pennybrohn.org.uk |
| Contact the Elderly Chloe Smee | Pleased to report that we have launched Contact the Elderly’s first Hull group – in West Hull. This group is providing route out of social isolation for seven older people, and is led by volunteers in the community. Our second tea party took place this Sunday (9th April).  
We are now keen to work with referrers to identify older people in East Hull that would benefit from this safe, intimate route back into social interaction. Each guest has a driver that picks them up from home, stays with them at the tea party, and ensures they are safely back at home after the event. The tea parties are relaxed, fun social occasions. |
Our referrers briefing is attached. Our volunteers are ready to go, so this group could launch as soon as we identify people in the area that could benefit from our support.

Please do call if you’d like to discuss this further; if you have older people in mind that might like to discuss this opportunity with me, you’re welcome to share their address with me (with their permission), and I can write / telephone to introduce the service. | EMS (sent by Autism Plus) | **Please vote for us!**  
We have been short listed to receive a grant from the NatWest Skills and Opportunities Fund via a public vote.  
Our project is called: Turning Pennies into Pounds  
The aim of the project to work with residents analysing income and expenditure, to help them understand their personal budget and make practical and informed choices on how they prioritise their spending. We will provide Solution Focused coaching to help residents make their own decisions and build their financial capability, helping to reduce poverty in the community.  
To vote for us please click on the link:  
www.skillsandopportunitiesfund.natwest.com/vote  
Region is: North  
Vote for: Environmental & Management Solutions Limited  
Can you please pass this email on to your colleagues so they can vote too?  
Every vote makes a difference and Turning Pennies into Pounds will make a real impact in helping to reduce poverty and promote financial capability for residents living in Hull. |
